

Marian Justice Group

The Marian Justice Group is open to any students in Year 6 & 7 who are interested in working as Mary did, quietly in the background, doing what needs to be done to further the mission of Jesus.

Students

- assist with fundraising efforts within the school,
- meet and greet new students and their families to our school,
- mentor the new students to ensure they settle in well to St John's
- compile the St John's Welcome bags to be presented to new students
- decide on activities to encourage Acts of Kindness
- work to continually keep students in our school motivated to give of their time and treasure to help those less fortunate than us.

The group meets once a month with the APRE to discuss coming activities and events. Each group member is welcomed into the group with a medal of Our Lady of Perpetual Hope.
