Staff Retreat

Our Staff Retreat is held annually on the third Monday of Term 4. This retreat is held off campus and is organised by the Assistant Principal Religious Education. All teachers are required to attend but all staff members of our school are invited to attend as well. The day aims to provide individual faith development input and includes some personal reflection time.

‘Called to Be’ Retreat

This retreat is offered to school officers annually. Each year, one or two staff officers are invited to attend. The retreat is offered over a three day period held at either Emu Park or Rockhampton. Those attending are offered input sessions that stimulate their own reflections as well as personal quiet time.
